No athlete or family of a Special Olympics athlete is charged to participate in any training program or competition event. And all uniforms, equipment and facilities which are needed in each sport are also provided at no cost. It costs Special Olympics - Baltimore County approximately \$50.00 per sport to train each of our hard working athletes. The funds for this come entirely from private donations. Won't you please help us! Please make checks payable to SOMD- Baltimore County and mail to:

Donna Reid, Treasurer Special Olympics Maryland – Baltimore County 4401 Wilmar Ave. Randallstown, MD 21133.
